

GREAT EXTRAVAGANZA

SAILING TO NEW HORIZONS

July 7, 2010

Last year, Great Explorations Children's Museum served over 200,000 children and visitors through exhibits and outreach programs. We are asking for your help as we continue in our 23-year mission to stimulate learning through creativity, play and exploration.

The Museum's major fundraising event, GREAT EXtravaganza, will be held **Friday, November 5, 2010**, on the StarLite *Majesty*, sailing from the Renaissance Vinoy Resort in downtown St. Petersburg, Florida. This year's theme is "Sailing to New Horizons," and the evening includes cocktails, dinner, live and silent auctions, all on a beautiful sunset cruise with music, dancing, and fireworks finale. **This letter asks for your support as a donor or sponsor.**

Sponsors enjoy an exclusive "State of the Great" party **September 2** at Ovation the incredible view overlooking the St. Petersburg waterfront from Ovation luxury condominiums. Auction items are also welcome as a means to promote your business or service.

Great Explorations depends upon corporate and community involvement to make this event a success. The enclosed information describes many sponsor levels from which to choose, or feel free to contact Director of Development Daryl DeBerry (727) 821-8992 ext. 209 for assistance.

Thank you in advance for your consideration and support,

Preston Hearn, Event Chair
