

After School Explorations

After School Explorations is a fun and educational afterschool program for children in Kindergarten-5th Grade.

Space is limited to fifteen students in our program, so please sign up soon as it will fill quickly. The program will flourish with enrichment activities including art and music lessons, and there will be homework help and daily museum time. Parents will drop children off at the museum at 3:00 pm and pick them up at 6:00 pm.
