

Enter a world
of learning, adventure
and wonder.

Great Explorations Children's Museum is the place for children and grownups to be creative, inventive, adventurous and have fun! The museum features an interactive, educational and safe space that's the perfect place to make new discoveries and explore. From building a race car or becoming a computer animator, to cooking healthy meals and playing interactive games, kids will be able to make believe and learn at the same time. Recognized as one of the best children's museums in the country, and one of the best museums in Florida, Great Explorations offers a fun experience that can't be found anywhere else.

Our mission: to stimulate learning through creativity, play, and exploration.

Be a Great Pet Vet: The Veterinary Office

Be a veterinarian for the day! Kids will learn all about taking care of pets and keeping pets healthy, while they act out a pet examination. Our pet vets will get to use toy stethoscopes, an x-ray machine, and microscopes that show what ticks, fleas and other parasites look like.

Engine Company 15: The Firehouse

Experience what it's like to be a real firefighter. Raid the lockers and put on the fire gear, including jackets and boots, jump into the fire engine, and hang onto the fire poles – even play the fire computer game! Kids will be having a blast while they learn fire safety and rules.

Fit4AllkidsVille

This high energy wellness exhibit emphasizes healthy and active living, all while having fun. The exhibit features a healthy café, a virtual rowing game, Dr. Pete E. Atric's office, and a fitness center where kids can stomp and play Dance, Dance Revolution and more!

I Can Construct

Climb into our Giant Tree House, and see how much fun construction and building things can be! Kids can nestle in the book nooks among the branches, operate pulleys and the child-sized front loader, see what's happening on the work bench, and explore the Giant Tree House's main attraction: The slide!

Live & On The Air: The Great TV Studio

When you step into our TV studio, you become a part of the show! Kids and grownups can write scripts, man the cameras and make their television debuts. There's no end to the fun or learning at this exhibit.

My First Market

This fascinating child-sized grocery market helps kids learn how to make healthy choices. Fill your basket with fruits and veggies, and don't forget to stop at the dairy aisle and bakery. Checking out is the most fun, with realistic cash registers that actually scan items and beep!

St. Pizza

Mamma Mia! It's time to make your own pizza! Kids can take orders, serve guests at the café, and create their own pizza masterpiece with soft sculpture ingredients. They'll even be able to bake their pie in the brick oven, and visit the cash registers to pay their bill.

Other exhibits:

In the Great Beginnings Gallery, young children can captain a sailing ship, test their fishing skills, visit an orange grove and explore to their hearts content in a secure environment. The entire family will enjoy exciting, interactive art and science exhibits that invite discovery and open-ended learning.

New exhibits, demonstrations and events are happening all year long. Check out the **EVENTS & PROGRAMS** at GreatX.org, and never miss a thing!
